Member Reimbursement Claim Form

Instructions

Please use this form if requesting reimbursement for claims related to all medical, dental, and vision services covered by Regence Group Administrators (RGA), your third-party Health Plan Administrator. For prescription claims, contact your pharmacy benefits manager (PBM). You will need to complete and submit this form only if your health care professional isn't filing the claim for you. Your health care professional can still file the claim for you if they are out-of-network with your policy; however, they are not required to do so.

Please include a copy of your itemized receipt, bill, and/or invoice with your completed claim form. Your submission must contain all necessary information based on the type of service for which you're requesting reimbursement. The minimum necessary information for each type of service is described below in the "Attachments" section.

☐ I understand that my claim for reimbursement might be delayed or even denied if I haven't provided all the information needed to process my claim.

Reimbursement, if any, will be sent to your mailing address as a paper check attached to an Explanation of Benefits

Note: Providers who are contracted with a PPO Network that is accessible and utilized by your Health Plan are contractually required to bill your Plan and be paid directly by the Plan for services they provide to you. If you have received services from a provider who is in your Plan's PPO Network, we will remit payment to the provider, even if you indicate you want reimbursement to go to you. If you have already paid the provider for your care, you will need to contact them to arrange for a refund, if applicable. Moving forward, be sure to provide your providers with your insurance card so they can bill your Plan directly.
