

The CHP CAMaffinity Program

20% discount on IH services

Discounts on Chiropractic, Acupuncture, Naturopathic Medicine, and Massage Therapy

The CHP CAMaffinity Program gives you and your family access to discounts on these many valuable integrative healthcare (IH) treatment options. The CHP CAMaffinity Program offers discounts on services from select providers offering the following IH disciplines:

1. Chiropractic is a form of diagnosing and treating illnesses that affect the nerves, muscles, bones, and joints of the body. This noninvasive therapy focuses on reducing pain and improving the function and structure of the body.
2. Acupuncture is the stimulation of specific points on the body by the insertion of thin metal needles through the skin. This treatment can relieve pain, reduce inflammation and alleviate the symptoms of many diseases and conditions.
3. Naturopathic Medicine uses clinical nutrition, herbal medicine and homeopathy to diagnose and treat patients.
4. Massage Therapy is the manipulation of the soft tissue structures of the body to help prevent and alleviate pain, muscle discomfort, muscle spasms, and stress.

This valuable program is provided to you free of charge by Regence as an additional benefit of membership. As a Regence member, you will receive a 20% discount on IH services offered through The CHP Group's growing network of providers, without restrictions on dollar amounts or number of annual visits.

Each of the IH providers participating in the CHP CAMaffinity network is subject to routine credentialing to ensure your safety, and The CHP Group has over 30 years of experience administering benefits in the field of integrative healthcare.
