

Fertility Services

Save between 10% to 40%
on your fertility services

WIN makes fertility treatment affordable. For over 20 years, WINFertility has been linking infertile families with reasonably priced, conveniently located, proven fertility specialists who can help. A key to our success is lower than market-rate Treatment Bundles consisting of the medical services and medications required to help you have a baby. For those already in treatment with a specialist, the WINFertilityRx Program can help reduce costs on fertility medications.

Key Features of the WINFertility Consumer Program:

- **Saves patients between 10% and 40%** on your fertility services, including IUI and IVF treatments, genetic testing services and fertility medications.
- **No clinical or age criteria to participate. No fees to enroll.**
- **Proven Fertility Physician network** of fellowship-trained practitioners who have achieved documented success rates with convenient throughout the US.
- **WINFertility Treatment BundlesSM** contain a comprehensive package of all medical services and the medications you need to help you have a baby.
- **WINFertilityRx, our Medication BundlesSM** program is also available with savings up to 40% on fertility-specific pharmaceuticals for those who have a fertility specialist not within the WINFertility network
- **Single payment process**, a single payment to WINFertility and we handle all payments to providers and pharmacies for your treatment. WINFertility will connect you with financing options to help make it all possible.
- **A free consultation** with a friendly WINFertility Nurse Care Manager is available. They decade of fertility experience, will answer you questions and offer support along the way. WINFertility's in your corner.
- **Our complimentary Prenatal Program**, designed to help prevent birth defects is offered to all enrollees and includes a 90-day supply of Folic Acid.

Visit www.WINFertility.com/HMA or call **1-844-439-3094** & select option #1

And provide the specialist with your Member Code: HMA
